## **Conditions of Participation**

All on and off track activities involved with **Italian Motorcycles** are under the direct control of **Italian Motorcycles** and **their nominated officials** in accordance with Motorcycling South Australia & Motorcycling Australia general "NON COMPETITIVE" permit guidelines. All participants must at all times obey the rules and direction of officials and coaches as outlined by **Italian Motorcycles** and **their nominated officials**. All participants must wear appropriate protective riding gear when taking part in all on track activities. This must include:

- An approved and correctly fitting full-faced helmet which must, carry the Standards Association of Australia "AS 1698" label and be attached to the outside of the helmet; or be approved under Rule 01.69 & 01.70 of the Road Racing FIM Technical Rules;
- A one-piece suit or jacket and trousers constructed of leather or other material of similar or greater durability. Where jackets or one-piece suits are fitted with front opening slide fasteners a safety strap must be fitted and secured at the neck. In the case of jackets and trousers, provision must be made to attach the rear of the jacket securely to the trousers;
- A back protector, which is commercially manufactured;
- Boots with ankle and calf protection that must be constructed of leather or other material of similar or greater durability but must not be constructed of rubber and must at least overlap the suit or trousers when the rider is in the normal riding position. Boots must not have soft leather soles;
- Gloves of leather or other material of similar or greater durability.

Minimum protective riding gear, i.e. helmet, motorcycle jacket, jeans, gloves & boots that cover the ankle can be worn but you will participate in a speed controlled (110kph max.) group.

All participants must ride within their abilities and any participant could be refused further participation in the event should they fail to do so. Their right to participate further is subject to the discretion of **Italian Motorcycles** or **their nominated officials** and may be withdrawn without explanation at any time.

## **Motorcycle Requirements**

All Motorcycles will be inspected prior to any on track activities starting. You must ensure your motorcycle meets the following requirements.

### **COMPETITION**

Competition motorcycles will be inspected as per a race meeting! So ensure you meet your competition requirements!

### **ROAD**

Road motorcycles will be inspected for roadworthy. Lights are to be taped up. The following items must be secured with duct tape or some form of retention: coolant overflow caps, engine oil filler cap, brake fluid reservoirs (ensure breathers are not blocked!) If practical, mirrors and indicators should be removed.
